

# LOSS PREVENTION GRANT FUND

**Request for Applications**

**PY 2022-2023**

*The Loss Prevention Grant Fund provides support for innovative efforts to reduce liability exposure through funding of specific education/research projects.*

This year priority will be given to proposals focused on provider wellness, reducing diagnostic/treatment errors, omissions, and delays. Grants are awarded for a one-year period and may not be used to cover ongoing operational expenses, or to fund permanent positions or capital

**The Loss Prevention Grant Fund will award up to a total of \$250,000 for all grants funded in Policy Year 2022-2023.**

Application for this grant is open to all Lifespan employees and eligible affiliated physicians. The application for a Loss Prevention Grant Fund award can be found at our website:

<https://www.lifespan.org/grant-award-program>

Applications for grants must be received by Loss Prevention no later than **Friday, May 20, 2022 at 5 pm.**

The Preliminary Review Committee will review and score all applications. The top ranking applications will be submitted to the Executive Review Committee for approval and award. Principle investigators will be notified by email of the final award status.

*Grants must be related to:*

**Professional Liability**

**General Liability**
