

## January 2010

**Roy Aaron, M.D.**, Department of Orthopaedics, has received a grant from BROWN in the amount of \$279,735, to support his research entitled, “Virtual Reality and Motion Analysis to Characterize Disabilities in Lower Limb Injury”.

**Rachel Altura, MD**, Department of Pediatrics, has received a grant from WIH-RI in the amount of \$20,000, to support her research entitled, “Polymorphic Variant at Survivin 129 is a Novel Biomarker for breast cancer”.

**Richard Clements, PhD**, Department of Surgery, has received a grant from NHLBI in the amount of , to support his research entitled, “Small Heat Shock Proteins in Surgically-induced Myocardial Stunning”.

**Joseph J. Crisco, Ph.D.**, Department of Orthopaedics, has received a grant from USAB in the amount of \$48,889, to support his research entitled, “Performance of Wood and Non-Wood Baseball Bats for Little League”.

**Kristy Dalrymple, PhD**, Department of Psychiatry, has received a grant from NIMH in the amount of \$148,461, to support her research entitled, “Treatment Development for Comorbid Major Depression and Social Phobia”.

**Elizabeth Didie, PhD**, Department of Psychiatry, has received a grant from NIMH in the amount of \$174,258, to support her research entitled, “Interpersonal Psychotherapy for Body Dysmorphic Disorder”.

**J. Donald Easton, M.D.**, Department of Neurology, has received a grant from UCSF in the amount of \$51,955, to support his research entitled, “Platelet-Oriented Inhibition in New TIA - ARRA”.

**Peter Friedmann, M.D.**, Department of Medicine, has received a grant from MHRI in the amount of \$9,878, to support his research entitled, “Sustaining Tobacco Abstinence After Incarceration - ARRA”.

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from BROWN in the amount of \$4,147, to support her research entitled, “Mechanisms linking alcohol use and smoking relapse risk”.

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from BROWN in the amount of \$15,708, to support her research entitled, “Genetic variation and Marijuana's pharmacologic and cue-elicited effects”.

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from BROWN in the amount of \$7,826, to support her research entitled, “Effects of the Family Check-Up on Adolescents with Alcohol-Related Events and their siblings”.

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from BROWN in the amount of \$6,903, to support her research entitled, “Substance Use Prevention for PreAdolescents with Psychiatric Disorders”.

**W. Curt LaFrance, M.D.**, Department of Psychiatry, has received a grant from AES in the amount of \$50,000, to support his research entitled, “Multi-center Treatment Trial Pilot for Psychogenic Nonepileptic Seizures”.

**Paula Most,,** Department of Pediatrics, has received a grant from NEFA in the amount of \$10,000, to support her research entitled, “Pedi Imaging Center Art (ARRA)”.

**Katharine Phillips, M.D.**, Department of Psychiatry, has received a grant from BUTLER in the amount of \$99,026, to support her research entitled, “Pharmacotherapy Relapse Prevention in Body Dysmorphic Disorder”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of \$386,250, to support his research entitled, “Surgical Intramyocardial Angiogenesis in a Swine Model of Endothelial Dysfunction”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of \$91,492, to support his research entitled, “Angiogenesis in a Model of Diabetes and Endothelial Dysfunction”.

**Katherine Sharkey, M.D.**, Department of Medicine, has received a grant from WIH-RI in the amount of \$19,994, to support her research entitled, “Role of Sleep and Circadian Rhythm Disruption in Postpartum Depression”.

**Jennifer Wolff,** Department of Psychiatry, has received a grant from BROWN in the amount of \$41,591, to support her research entitled,

“Community Treatment of Teen Suicidal Crises”.

**Haiyan Xu, M.D., Ph.D.**, Department of Medicine, has received a grant from NIDDK in the amount of \$100,000, to support his research entitled, “MAP Kinase Phosphatase 3 (MKP-3) and Obesity-related Gluconeogenesis (ARRA)”.

**Beth Bock, PhD**, Department of Centers for Behavioral Medicine, has received a grant from BROWN in the amount of \$87,014, to support her research entitled, “Culturally and Linguistically Adapted Physical Activity Intervention for Latinas”.

**Bernardine Pinto, Ph.D.**, Department of Centers for Behavioral Medicine, has received a grant from NCI in the amount of \$36,767, to support her research entitled, “Community Volunteers Promoting Physical Activity Among Cancer Survivors”.

**Rochelle Strenger, M.D.**, Department of Medicine, has received a grant from SUSAN KOMEN BREAST FDN in the amount of \$20,000, to support her research entitled, “Breast Cancer Treatment Plan and Summary Evaluation Study”.

## **February 2010**

**Daniel Dickstein, M.D.**, Department of Psychiatry, has received a grant from BROWN in the amount of \$9,146, to support his research entitled, “Imaging White Matter Maturation During Healthy Neurodevelopment”.

**Ronald Seifer, PhD**, Department of Psychiatry, has received a grant from BUTLER in the amount of \$240,930, to support his research entitled, “Childhood maltreatment and risk for psychopathology: Gene-environment interactions”.

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from WASHINGTON UNIV in the amount of \$48,902, to support her research entitled, “Alcohol Use Disorder in Young Women: Genetic Epidemiology: MOAFTS Wave 7”.

**Jennifer Wolff,** Department of Psychiatry, has received a grant from BROWN in the amount of \$16,535, to support her research entitled, “Concurrent Treatment for Parents and Adolescents Who Attempt Suicide”.

**Joseph Fava, Ph.D.**, Department of Centers for Behavioral Medicine, has received a grant from UCONN in the amount of \$4,000, to support his research entitled, “Modifying Obesogenic Homes: Impact on Weight Maintenance”.

## March 2010

**Roy Aaron, M.D.**, Department of Orthopaedics, has received a grant from BROWN in the amount of \$134,644, to support his research entitled, "PTSD in Limb Trauma and Recovery".

**Alfred Ayala, PhD**, Department of Surgery, has received a grant from NIGMS in the amount of \$30,254, to support his research entitled, "Differential effects of sepsis on immune cell function".

**Jerrold Boxerman, M.D.**, Department of Diagnostic Imaging, has received a grant from ACR in the amount of \$62,100, to support his research entitled, "Phase III Double-Blind Placebo-Controlled Trial of Conventional Concurrent Chemoradiation and Adjuvant Temozolomide Plus Bevacizumab versus Conventional Concurrent Chemoradiation and Adjuvant Temozolomide in Patients with Newly Diagnosed Glioblastoma".

**Joseph J. Crisco, Ph.D.**, Department of Orthopaedics, has received a grant from GreaterProv in the amount of \$20,000, to support his research entitled, "Toy Technology for Upper Extremity Rehabilitation in Children".

**Kevin Dushay, M.D.**, Department of Medicine, has received a grant from UMICHIGAN in the amount of \$124,138, to support his research entitled, "CTrip: Molecular Phenotypes of Rapidly Progressive Idiopathic Pulmonary Fibrosis (ARRA)".

**Loren Fast, PhD**, Department of Medicine, has received a grant from

CaridianBCT in the amount of \$134,880, to support his research entitled, "Inactivation of WBC in Blood Units Treated with Portable Inactivation Device".

**Traci Green,** Department of Medicine, has received a grant from MIRIAM in the amount of \$40,000, to support her research entitled, "Initiation of heroin use and injection in a national sample of drug users".

**Robert Klein, M.D.**, Department of Pediatrics, has received a grant from RIDH in the amount of \$10,046, to support his research entitled, "Community Asthma Programs: Expansion Grant for After-School and Lunch Workshops".

**Valerie Knopik, PhD**, Department of Psychiatry, has received a grant from NIDA in the amount of \$361,514, to support her research entitled, "Prenatal Tobacco Exposure: Effects on Neuropsychological Outcomes and ADHD".

**Adam Levine,** Department of Emergency Medicine, has received a grant from RIF in the amount of \$15,000, to support his research entitled, "Assessment of Severe Dehydration in Children with Diarrhea Using Ultrasound and Clinical Exam".

**James Linakis, M.D.**, Department of Emergency Medicine, has received a grant from NIAAA in the amount of \$243,018, to support his research entitled, "ED Based Prevention Intervention to Delay Alcohol Use by Young Adolescents".

**Elizabeth McQuaid, PhD**, Department of Psychiatry, has received a grant from JEWISH CTR in the amount of \$23,161, to support her research entitled, “Children's Food Allergies: Assessing Family Management and Adaptation”.

**Roland Merchant, MD**, Department of Emergency Medicine, has received a grant from NIDA in the amount of \$253,031, to support his research entitled, “Increasing Viral Testing in the Emergency Department (InVITED)”.

**Roland Merchant, MD**, Department of Emergency Medicine, has received a grant from NINR in the amount of \$252,166, to support his research entitled, “Video-Based Delivery of HIV Test Information for Spanish-Speaking Latinos”.

**Roland Merchant, MD**, Department of Emergency Medicine, has received a grant from NIDA in the amount of \$38,828, to support his research entitled, “Brief Intervention for Drug Misuse for the Emergency Department / Diversity Supplement for Alexis Trillo”.

**Katharine Phillips, M.D.**, Department of Psychiatry, has received a grant from SUICIDE in the amount of \$15,000, to support her research entitled, “Suicidality Ideation, Attempts, and Completed Suicide in Body Dysmorphic Disorder”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of , to support his research entitled, “Cardioplegia and Coronary Microvascular Reactivity”.

**Gerald Silverberg, M.D.**, Department of Neurosurgery, has received a grant from NEUROSURGERY in the amount of \$100,000, to support his research entitled, “Aging and Age-Related Dementias”.

**Peter Snyder, PhD**, Department of Office of Research Administration, has received a grant from GreaterProv in the amount of \$20,000, to support his research entitled, “The Development of a State-wide Ambulatory Clinic Research Center: Leveraging Support, Design Advice and Continuing Interest from Industry Leaders”.

**Maura Taylor, PT, MBA**, Department of Pediatrics, has received a grant from RIDHS in the amount of \$204,500, to support her research entitled, “Hasbro Early Intervention ARRA Stimulus Funds (ARRA)”.

**Peng Zhang, M.D.**, Department of Medicine, has received a grant from RIF in the amount of \$15,000, to support his research entitled, “MicroRNA Expression, Regulation and Function in Cardiac Fibroblasts”.

**Elissa Jelalian, PhD**, Department of Psychiatry, has received a grant from BROWN in the amount of \$113,625, to support her research entitled, “Integrated Treatment for Comorbid Depression and Obesity in Adolescents”.

**Eva Serber, PhD**, Department of Centers for Behavioral Medicine, has received a grant from RIF in the amount of \$14,599, to support her research entitled, “Wii ♥ Fitness: Study One”.

**Rena Wing, PhD**, Department of Psychiatry, has received a grant from NIDDK in the amount of \$70,308, to support her research entitled, “The Look AHEAD Continuation: Action for Health in Diabetes (ARRA)”.

## **April 2010**

**Y. Eugene Chin, PhD**, Department of Surgery, has received a grant from NCRR in the amount of \$115,875, to support his research entitled, “COBRE CCRD Project 3 Acetylation Dependent STAT3 Signalosome in Liver Cancer”.

**Richard Clements, PhD**, Department of Surgery, has received a grant from NHLBI in the amount of \$97,200, to support his research entitled, “Small Heat Shock Proteins in Surgically-induced Myocardial Stunning”.

**Patricia Engler, PhD**, Department of Medicine, has received a grant from RIF in the amount of \$15,000, to support her research entitled, “Building an Effective Diabetes Self-Care Adherence Intervention”.

**Philip Gruppuso, M.D.**, Department of Pediatrics, has received a grant from BROWN in the amount of \$89,086, to support his research entitled, “Formative Center for the Evaluation of Environmental Impacts on Fetal Development”.

**Roland Merchant, MD**, Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$7,820, to support his research entitled, “Emergency Department Management of Skin and Soft Tissue Infections in the MRSA Era”.

**Brian Montague,,** Department of Medicine, has received a grant from RIH in the amount of \$14,844, to support his research entitled, “Increasing Viral Testing in the Emergency Department (InVITED)”.

**Belinda Borrelli, PhD**, Department of Centers for Behavioral Medicine, has received a grant from BU in the amount of \$45,721, to support her research entitled, “Health Advocates As a Vehicle to Improve Treatment for Smokers in Public Housing”.

**Ronald Cohen, PhD**, Department of Centers for Behavioral Medicine, has received a grant from TUFTS in the amount of \$22,000, to support his research entitled, “Proton MRS studies of cerebral injury in HIV infection and Supplemental Project entitled, Longitudinal Structural Imaging Change in the Era of HAART” - two projects combined into one - per request of Tufts.”.

**Erna Milunka Kojic, M.D.**, Department of Medicine, has received a grant from RIDH in the amount of \$12,775, to support her research entitled, “Comprehensive HIV CARE Act funded Health Care and Support Services for Rhode Islanders living with HIV/AIDS”.

## May 2010

**Richard Clements, PhD**, Department of Surgery, has received a grant from NHLBI in the amount of \$97,200, to support his research entitled, “Small Heat Shock Proteins in Surgically-induced Myocardial Stunning”.

**Conrad Johanson, PhD**, Department of Neurosurgery, has received a grant from NIA in the amount of \$23,175, to support his research entitled, “Age-Related Decrease in A-Beta Peptide Clearance Pathways: CSF and BBB”.

**Mark Schleinitz, M.D.**, Department of Medicine, has received a grant from ACR in the amount of \$140,800, to support his research entitled, “Acrin 6666 Supplement”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of \$425,000, to support his research entitled, “Surgical Intramyocardial Angiogenesis in a Swine Model of Endothelial Dysfunction”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of \$386,250, to support his research entitled, “Effect of Cardioplegia and Cardiopulmonary bypass on Coronary Microvascular React”.

**Mary Ann Slocomb,,** Department of Peter's Medical Library, has received a grant from OLIS in the amount of \$5,000, to support her research entitled, “Health Information Outreach to RI Senior Centers”.

**Mary Ann Slocomb,,** Department of Peter's Medical Library, has received a grant from UMASS-Worcester in the amount of \$10,000, to support her research entitled, “Health Information Outreach to RI Senior Centers”.

**Lei Wei, MD, PhD**, Department of Orthopaedics, has received a grant from ANRF in the amount of \$75,000, to support his research entitled, “Inducible deletion of Ihh Signaling Prevents Osteoarthritic Cartilage Degeneration”.

**Haiyan Xu, M.D., Ph.D.**, Department of Medicine, has received a grant from NIDDK in the amount of \$31,253, to support his research entitled, “MAP Kinase Phosphatase 3 (MKP-3) and Obesity-related Gluconeogenesis”.

**Michelle McKenzie, MPH**, Department of Medicine, has received a grant from RIDH in the amount of \$5,300, to support her research entitled, “Integrated HIV and Viral Hepatitis Prevention”.

**Josiah Rich, M.D.**, Department of Medicine, has received a grant from NIDA in the amount of \$153,723, to support his research entitled, “New HIV Diagnosis Occuring at the Rhode Island Department of Corrections, 2000-2007”.

## June 2010

**Janette Baird, PhD**, Department of Emergency Medicine, has received a grant from RIF in the amount of \$14,730, to support her research entitled, “Intervention to Increase Chlamydia and Gonorrhea Screening Uptake Among Young Adult Female Emergency Department Patients”.

**Braden Fleming, Ph.D.**, Department of Orthopaedics, has received a grant from CHILDRENH in the amount of \$240,302, to support his research entitled, “The Effect of Age on Functional ACL Healing”.

**Mahesh Jayaraman, M.D.**, Department of Diagnostic Imaging, has received a grant from RIMI in the amount of \$14,900, to support his research entitled, “Evaluation of Jugular Venous flow in Patients with Multiple Sclerosis”.

**Roland Merchant, MD**, Department of Emergency Medicine, has received a grant from NIDA in the amount of \$18,382, to support his research entitled, “Brief Intervention for Drug Misuse in the Emergency Department/Summer Research with NIDA 2010 - Student Supplement”.

**Eduardo Nillni, PhD**, Department of Medicine, has received a grant from NIDDK in the amount of \$370,990, to support his research entitled, “Hypothalamic SIRT1 and Energy Balance”.

**Jack Wands, M.D.**, Department of Medicine, has received a grant from NIAAA in the amount of \$11,532, to support his research entitled, “HCV in Alcoholics Diversity Supplement”.

**Kenneth Mayer, M.D.**, Department of Medicine, has received a grant from FIC in the amount of \$731,596, to support his research entitled, “Fogarty AIDS International Training and Research Program”.

**Rena Wing, PhD**, Department of Psychiatry, has received a grant from NIDDK in the amount of \$484,792, to support her research entitled, “Using a State-Wide Initiative to Disseminate Effective Behavioral Weight Loss Strategies”.

## July 2010

**Larry Brown, M.D.**, Department of Psychiatry, has received a grant from NIMH in the amount of \$748,977, to support his research entitled, “Integrated Mental Health Treatment & HIV Prevention for Court-Involved Youth”.

**Thomas Chun, M.D.**, Department of Emergency Medicine, has received a grant from BROWN in the amount of \$2,824, to support his research entitled, “Mechanisms of Naltrexone's Action on Drinking in Adolescents”.

**Thomas Chun, M.D.**, Department of Emergency Medicine, has received a grant from BROWN in the amount of \$12,343, to support his research entitled, “ARRA Biobehavioral Effects of Topiramate on Cannabis-Related Outcomes in Adolescents”.

**Thomas Chun, M.D.**, Department of Emergency Medicine, has received a grant from BROWN in the amount of \$7,385, to support his research entitled, “Biobehavioral Mechanisms of Topiramate and Drinking”.

**Philip Gruppuso, M.D.**, Department of Pediatrics, has received a grant from BROWN in the amount of , to support his research entitled, “Formative Center for the Evaluation of Environmental Impacts on Fetal Development”.

**Gideon Koren, MD**, Department of Medicine, has received a grant from NHLBI in the amount of \$537,484, to support his research entitled, “Heart and Muscle K + Channels: Assembly and Regulation”.

**Joanne Lomas-Neira, PhD**, Department of Surgery, has received a grant from RIF in the amount of \$15,000, to support her research entitled, “Mediators of Endothelial Cell Dysfunction in the Development of Shock Induced Acute Lung Injury”.

**Brian R. Ott, M.D.**, Department of Neurology, has received a grant from UCSD in the amount of \$96,754, to support his research entitled, “Alzheimer's Disease Neuroimaging Initiative Grant Opportunity - ARRA”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from Brig&Wom in the amount of \$68,438, to support his research entitled, “Omega-2 Fatty Acids for Prevention of Post-Operative Atrial Fibrillation”.

**Geoffrey Tremont, PhD**, Department of Psychiatry, has received a grant from BUTLER in the amount of \$9,422, to support his research entitled, “Development of a Yoga Intervention for Antenatal Depression”.

**E. Jane Carter, M.D.**, Department of Medicine, has received a grant from BROWN in the amount of \$14,712, to support her research entitled, “ASANTE CVPD COE”.

**Shira Dunsiger,,** Department of Centers for Behavioral Medicine, has received a grant from NCI in the amount of \$83,573, to support her research entitled, “Statistical Methods for Assessing Patterns of Change in Cancer-Control Behavior”.

**Amy Nunn,** Department of Medicine, has received a grant from NIAAA in the amount of \$141,010, to support her research entitled, “Exploring Patterns of Sexual Concurrency among Urban African-Americans”.

**Karen Tashima, M.D.,** Department of Medicine, has received a grant from MGH in the amount of \$87,237, to support her research entitled, “AIDS Clinical Trials Group - Clinical Research Site”.

## August 2010

**Roy Aaron, M.D.**, Department of Orthopaedics, has received a grant from NIAMS in the amount of \$157,989, to support his research entitled, “Physicochemical Signaling in Osteoarthritis”.

**Andrew Bostom, M.D.**, Department of Medicine, has received a grant from NCRR in the amount of \$77,250, to support his research entitled, “COBRE CHEN Pilot Project 1 YR4; A randomized, placebo-controlled, pilot study of the effects of wax matrix extended-release niacinimide on laboratory measures of calcium-phosphorous homeostasis and bone formation in stage 3-4 kidney disease patients”.

**Mary Cooper, M.D., JD**, Department of Lifespan Quality RIH, has received a grant from CARDINAL HEALTH in the amount of \$41,692, to support her research entitled, “Marking in the Universal Protocol: Enhancing Time-outs (MUP-ET)”.

**Peter Ginaitt.**, Department of Lifespan Emergency Preparedness Disaster Preparedness, has received a grant from DHHS in the amount of \$99,000, to support his research entitled, “Health Care and Other Facilities --Statewide Patient Tracking System”.

**Yingjie Guan, MD, PhD**, Department of Orthopaedics, has received a grant from NCRR in the amount of \$77,250, to support his research entitled, “COBRE CHEN Pilot Project 4 YR 4: MicroRNA mediates mechanical regulation of chondrocyte differentiation”.

**Robin Kamal, M.D.**, Department of Orthopaedics, has received a grant from SURGERY HAND in the amount of \$20,000, to support her research entitled, “Scaphotrapeziotrapezoid Arthritis and Carpal Instability”.

**Megan Ranney, M.D.**, Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$5,247, to support her research entitled, “Patient and Clinician Receptivity to Technology-based Behavioral Health Interventions in the ED”.

**Anthony Reginato, M.D.**, Department of Medicine, has received a grant from NCRR in the amount of \$77,250, to support his research entitled, “COBRE CHEN Pilot Project 2 YR 4; Genetics of Hydroxyapatite Deposition Disease (HADD) of the Shoulder (Milwaukee Shoulder)”.

**Jennifer Wolff, PhD**, Department of Psychiatry, has received a grant from NIMH in the amount of \$232,904, to support her research entitled, “Treatment of Youth Comorbid Conduct Problems and Depression”.

**Haiyan Xu, M.D., Ph.D.**, Department of Medicine, has received a grant from NIDDK in the amount of \$2,318, to support his research entitled, “MAP Kinase Phosphatase 3 (MKP-3) and Obesity-related Gluconeogenesis”.

**Ronald Cohen, PhD**, Department of Centers for Behavioral Medicine, has received a grant from TUFTS in the amount of \$30,000, to support his research entitled, “Proton MRS studies

of cerebral injury in HIV infection and Supplemental Project entitled, Longitudinal Structural Imaging Change in the Era of HAART" - two projects combined into one - per request of Tufts.”.

**Erna Milunka Kojic, M.D.**, Department of Medicine, has received a grant from RIH in the amount of \$11,781, to support his research entitled, “A Mutlilevel HIV-Prevention Strategy for High-Risk Youth”.

**Michelle Lally, M.D.**, Department of Medicine, has received a grant from NIAID in the amount of \$130,886, to support her research entitled, “Project to Explore the Proteomics of HIV (ARRA)”.

**Kenneth Mayer, M.D.**, Department of Medicine, has received a grant from VANDERBILT in the amount of \$33,674, to support his research entitled, “Fogarty International Clinical Research Fellows Program-YRG Care, India”.

**Rena Wing, PhD**, Department of Psychiatry, has received a grant from NHLBI in the amount of \$6,635, to support her research entitled, “Training in Behavioral & Preventive Medicine”.

## September 2010

**Daniel Wall,** Department of LIFESPAN, has received a grant from HRSA in the amount of \$495,000, to support his research entitled, “Health Care and Other Facilities”.

**Andrew Bostom, M.D.,** Department of Medicine, has received a grant from NIDDK in the amount of \$171,957, to support his research entitled, “Folic Acid for Vascular Outcome Reduction in Transplantation (FAVORIT) Trial - (ARRA)”.

**Richard Clements, PhD,** Department of Surgery, has received a grant from NHLBI in the amount of \$249,000, to support his research entitled, “Small Heat Shock Proteins in Surgically-Induced Myocardial Stunning”.

**Penelope Dennehy, M.D.,** Department of Pediatrics, has received a grant from ALABAMA in the amount of \$12,048, to support her research entitled, “A PHASE III RANDOMISED, PLACEBO-CONTROLLED BLINDED INVESTIGATION OF SIX WEEKS VS. SIX MONTHS OF ORAL VALGANCICLOVIR THERAPY IN INFANTS WITH SYMPTOMATIC CONGENITAL CYTOMEGALOVIRUS INFECTION DMID #06-0046 (CASG 112) VERSION 2.0 5/22/07”.

**Robin Everhart,** Department of Psychiatry, has received a grant from NHLBI in the amount of \$45,829, to support her research entitled, “Caregiver Quality of Life in Pediatric Asthma: Family and Cultural Predictors”.

**John Gaitanis, M.D.,** Department of Neurology, has received a grant from URI in the amount of \$50,000, to support his research entitled, “Tripolar Concentric Ring Electrode Electroencephalogram (EEG) System - An Innovative Diagnostic Tool for Epilepsy”.

**Reginald Gohh, M.D.,** Department of Medicine, has received a grant from URI in the amount of \$2,000, to support his research entitled, “Smart Pill Technology For Exact Evaluation of Gastrointestinal Residence TI”.

**Reginald Gohh, M.D.,** Department of Medicine, has received a grant from URI in the amount of \$50,650, to support his research entitled, “Smart Pill Technology For Exact Evaluation of Gastrointestinal Residence TI”.

**Geetha Gopalakrishnan, M.D.,** Department of Medicine, has received a grant from HOFFMANN in the amount of \$115,719, to support her research entitled, “Cardiovascular Outcomes Study to Evaluate the Potential of Alogliptazar to Reduce Cardiovascular Risk in Patients with a Recent Acute Coronary Syndrome (ACS) Event and Type 2 Diabetes Mellitus (T2D)”.

**Traci Green,** Department of Medicine, has received a grant from CDC in the amount of \$174,998, to support her research entitled, “Unintended Prescription Opioid Poisoning Deaths in Connecticut and Rhode Island: Prescription Monitoring and Community-Based Responses”.

**Philip Gruppuso, M.D.**, Department of Pediatrics, has received a grant from BROWN in the amount of , to support his research entitled, “Formative Center for the Evaluation of Environmental Impacts on Fetal Development”.

**Adam Levine,,** Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$39,723, to support his research entitled, “Assessment of Severe Dehydration in Children with Diarrhea Using Clinical Scales, Ultrasound of the Inferior Vena Cava, and Pulse Oximetry Waveform Analysis”.

**Victor Pricolo, M.D.**, Department of Surgery, has received a grant from EPI-Q in the amount of \$5,000, to support his research entitled, “Post-Operative GI Recovery: A Benchmarking Project”.

**Bharat Ramratnam, M.D.**, Department of Medicine, has received a grant from MIRIAM in the amount of \$73,196, to support his research entitled, “Project to explore the Proteomics of HIV (ARRA)”.

**Matthew Reilley, B.S.**, Department of Medicine, has received a grant from ASH in the amount of \$4,000, to support his research entitled, “Transplanted Marrow Cell Mediated Vascular Changes in Pulmonary Hypertension”.

**Frank Sellke, MD**, Department of Surgery, has received a grant from NHLBI in the amount of \$57,312, to support his research entitled, “Effect of rdioplegia and Cardiopulmonary bypass on Coronary Microvascular React”.

**Katherine Sharkey, M.D.**, Department of Medicine, has received a grant from

SRS in the amount of \$20,000, to support her research entitled, “Sleep and Circadian Rhythm Disruption in Postpartum Depression”.

**Thomas Sheeran, PhD**, Department of Psychiatry, has received a grant from NIMH in the amount of , to support his research entitled, “Quality Improvement Methods in Geriatric Mental Health: Using Telemedicine to Improve Depression Care Management in Home Care”.

**William Sikov, M.D.**, Department of Medicine, has received a grant from BWH in the amount of \$130,000, to support his research entitled, “Cancer and Leukemia Group B (CALGB Case Study Services”.

**Shougang Zhuang, MD, PhD**, Department of Medicine, has received a grant from NIDDK in the amount of \$386,250, to support his research entitled, “Histone deacetylases as novel therapeutic targets for kidney fibrosis”.

**E. Jane Carter, M.D.**, Department of Medicine, has received a grant from VANDERBILT in the amount of \$26,546, to support her research entitled, “Fogarty International Clinical Research Fellows Program-Moi University-Matthews Strothers”.

**Ronald Cohen, PhD**, Department of Centers for Behavioral Medicine, has received a grant from NIDA in the amount of \$323,852, to support his research entitled, “Improving Adherence and Cognition in Substance-Using HIV Patients”.

**Erna Milunka Kojic, M.D.,**

Department of Medicine, has received a grant from CDC in the amount of \$126,811, to support her research entitled, “Influeza Viral Shedding among HIV Infected Persons”.

**Aadia Rana, M.D.,** Department of Medicine, has received a grant from NIAID in the amount of \$40,000, to support her research entitled, “CFAR Developmental: Evaluating Factors That Impact Loss to Follow-up Among Postpartum HIV-Infected Women in Mississippi”.

**Josiah Rich, M.D.,** Department of Medicine, has received a grant from HRSA in the amount of \$146,634, to support his research entitled, “HIV Early Intervention Services (EIS) Program/Ongoing Expansion Funds for Current Part C Grantees”.

**William Sikov, M.D.,** Department of Medicine, has received a grant from BWH in the amount of \$30,000, to support his research entitled, “Cancer and Leukemia Group B (CALGB) Case Study Services”.

## October 2010

**Roy Aaron, M.D.**, Department of Orthopaedics, has received a grant from USAMRMC in the amount of \$734,338, to support his research entitled, “Engineering Replacement Tissues with Amniotic Stem Cells”.

**Alfred Ayala, PhD**, Department of Surgery, has received a grant from NIGMS in the amount of \$269,066, to support his research entitled, “Programmed Cell Death: Role in Septic Immune Dysfunction”.

**Larry Brown, M.D.**, Department of Psychiatry, has received a grant from NIMH in the amount of \$529,652, to support his research entitled, “HIV Prevention for Youth with Severe Mental Illness”.

**Linda Brown, MD**, Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$39,936, to support her research entitled, “Improving Pediatric Resuscitation: A Simulation Program for the Community ED”.

**Esther Choo, MD**, Department of Emergency Medicine, has received a grant from RIF in the amount of \$11,531, to support her research entitled, “the Impact of State Legislation on Teenage Drug Use and High Risk Behaviors”.

**Esther Choo, MD**, Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$5,000, to support her research entitled, “Health Issues Among Female Employees of Adult Clubs in Rhode Island”.

**Suzanne de la Monte, M.D.**, Department of Medicine, has received a grant from NIAAA in the amount of \$58,937, to support her research entitled, “Ethanol, Insulin/IGF Signaling and Neuronal Migration: Diversity Supplement”.

**Jessica Edwards George, PhD**, Department of Psychiatry, has received a grant from UMASSMEDCTR in the amount of \$6,550, to support her research entitled, “Eating pathology in youth with celiac disease in a primary care setting”.

**Philip Gruppuso, M.D.**, Department of Pediatrics, has received a grant from BROWN in the amount of , to support his research entitled, “Formative Center for the Evaluation of Environmental Impacts on Fetal Development”.

**Peter Quesenberry, M.D.**, Department of Medicine, has received a grant from NCRR in the amount of \$248,497, to support his research entitled, “COBRE CSCB Project 2 - Mark Zervas Ph.D. Determining the Transcriptional Regulation and Cell Signaling Events that Shape the Molecular Identity of Dopamine Neuron Progenitors and Specify Subtypes of Midbrain Dopamine neurons (Brown University)”.

**Lisa Schweigler, MD**, Department of Emergency Medicine, has received a grant from EMERGMED in the amount of \$27,273, to support her research entitled, “Prior Mental Health Services Use Among Suicidal Emergency Department Patients”.

**Li Juan Wang, M.D.**, Department of Pathology, has received a grant from BROWN in the amount of \$8,000, to support his research entitled, “Molecular Characterization of CK5/6 Positive Cells in Breast Carcinoma”.

**Evgeny Yakirevich, M.D.**, Department of Pathology, has received a grant from BROWN in the amount of \$8,000, to support his research entitled, “Expression of Stem Cell Markers and Multidrug Resistance Proteins in Breast Carcinoma with an Emphasis on the Basal-Like Subtype”.

**Erna Milunka Kojic, M.D.**, Department of Medicine, has received a grant from CDC in the amount of \$570,998, to support her research entitled, “The Study to Understand the Natural History of HIV/AIDS in the Era of Effective Therapy (The "Sun Study")”.

November 2010

**Ronald Seifer, PhD**, Department of Psychiatry, has received a grant from RIH in the amount of \$10,250, to support his research entitled, “Integrated Mental Health Treatment & HIV Prevention for Court-Involved Youth”.

**Kavita Babu, M.D.**, Department of Emergency Medicine, has received a grant from EMERGEMD in the amount of \$39,977, to support his research entitled, “Prescription and Illicit Drug Misuse in Early Pregnancy”.

**Jay Baruch, M.D.**, Department of Emergency Medicine, has received a grant from EMERGEMD in the amount of \$36,201, to support his research entitled, “Building a Medical Humanities Program at Brown University”.

**Elizabeth Didie, PhD**, Department of Psychiatry, has received a grant from NIMH in the amount of \$112,674, to support her research entitled, “Interpersonal Psychotherapy for Body Dysmorphic Disorder”.

**Reginald Gohh, M.D.**, Department of Medicine, has received a grant from URI in the amount of \$31,668, to support his research entitled, “Novel Oral Fluid Based Methods for Non-Invasive Determination of Total Exposure to Active”.

**Rujun Gong, MD, PhD**, Department of Medicine, has received a grant from UMF in the amount of \$25,000, to support his research entitled, “GSK3b inhibition: a novel approach to retard progression of lupus nephritis”.

**Philip Gruppuso, M.D.**, Department of Pediatrics, has received a grant from BROWN in the amount of , to support his research entitled, “Formative Center for the Evaluation of Environmental Impacts on Fetal Development”.

**Wendy Hadley, Ph.D.**, Department of Psychiatry, has received a grant from NIDA in the amount of \$56,524, to support her research entitled, “HIV/STI Prevention for Adolescents with Substance use Disorder in Treatment”.

**Gregory Jay, M.D.**, Department of Emergency Medicine, has received a grant from UCSF in the amount of \$195,243, to support his research entitled, “RCT of US versus CT for ED patients with suspected Renal colic - ARRA”.

**Nicole Nugent,,** Department of Psychiatry, has received a grant from NIMH in the amount of \$19,250, to support her research entitled, “Psychogenetic Factors in Project REACH”.

**Frank Overly, M.D.**, Department of Emergency Medicine, has received a grant from YALE in the amount of \$98,155, to support his research entitled, “Small Victims, Big Challenges: Refining Pediatric Disaster Triage Education and Assessing Triage Algorithms in the prehospital Setting”.

**Louis Rice, MD**, Department of Medicine, has received a grant from NIAID in the amount of \$324,720, to support his research entitled, “Cell Wall Synthesis Enzymes abd Beta-Lactam Resistance in Enterococcus Faecium”.

**Cindy Schwartz, M.D.**, Department of Pediatrics, has received a grant from DANA-FARBER in the amount of \$18,500, to support her research entitled, “The Therapeutic Index of Acute Lymphoblastic Leukemia”.

**Samir Shah, M.D.**, Department of Medicine, has received a grant from MSSM in the amount of \$, to support his research entitled, “Ocean State Crohn's and Colitis Area Registry”.

**Keiko Tarquinio,** Department of Pediatrics, has received a grant from RISCENCE in the amount of \$200,000, to support his research entitled, “Decreasing bacterial adhesion to medical devices through nanotechnology to prevent nosocomial infection”.

**Holly Westervelt, PhD**, Department of Psychiatry, has received a grant from UIOWA in the amount of \$1,042, to support her research entitled, “PREDICT-HD 2.0”.

**Kenneth Mayer, M.D.**, Department of Medicine, has received a grant from MA PUBLIC HEALTH in the amount of \$13,076, to support his research entitled, “STD/HIV Prevention Training Center”.

**Kenneth Mayer, M.D.**, Department of Medicine, has received a grant from UMASSMEDSCHOOL in the amount of \$14,500, to support his research entitled, “New England AIDS Education and Training Center”.

## **December 2010**

**Susan Dickstein, PhD**, Department of Psychiatry, has received a grant from RIDH in the amount of \$125,000, to support her research entitled, “Child Care Support Network: Infant-Toddler Project (ARRA)”.

**Maura Taylor, PT, MBA**, Department of Pediatrics, has received a grant from SRI in the amount of \$55,900, to support her research entitled, “Hasbro Early Intervention Program Administrative Support”.

**Andrew Bostom, M.D.**, Department of Medicine, has received a grant from NIDDK in the amount of \$900,000, to support his research entitled, “Folic Acid for Vascular Outcome Reduction in Transplantation (FAVORIT)”.

**Phyllis Losikoff, M.D.**, Department of Pediatrics, has received a grant from URI in the amount of \$77,250, to support her research entitled, “Mechanisms of Hepatitis C specific Immune impairment in the liver; potential targets for therapeutic intervention”.

**Dennis Pantazatos,**, Department of Medicine, has received a grant from NCRR in the amount of \$186,585, to support his research entitled, “COBRE CCRD Project 4 Tissue Imaging of Liver Microvesicles”.

**Henry Querfurth, MD, PhD**, Department of Neurology, has received a grant from ALZHEIMER in the amount of \$63,200, to support his research entitled, “Intraneuronal Beta-Amyloid”.

**Katherine Sharkey, M.D.**, Department of Medicine, has received a grant from NIMH in the amount of \$179,704, to support her research entitled, “Postpartum Depression: Role of Sleep & Genetic Risk in Postpartum Mood Disorders”.
