

LOSS PREVENTION GRANT FUND

Request for Applications FY 2021

The Loss Prevention Grant Fund provides support for innovative efforts to reduce liability exposure through funding of specific education/research projects.

There must be an identified loss prevention benefit resulting from the proposal. Grants are awarded for a one-year period and may not be used to cover ongoing operational expenses, or to fund permanent positions or capital equipment.

The Loss Prevention Grant Fund will award up to a total of \$125,000 for all grants funded in Fiscal Year 2021.

Application for this grant is open to all Lifespan employees and eligible affiliated physicians. The preliminary application for a Loss Prevention Grant Fund award can be found at our website:

<https://www.lifespan.org/grant-award-program>

Preliminary application for grants must be received by the Loss Prevention no later than
Friday, May 1, 2020.

The Grant Advisory Committee will review all preliminary applications and will then notify those investigators who will be invited to submit a full proposal.

Grants must be related to:

Professional Liability

General Liability

OR

Patient Safety Efforts
