

We have compiled this list as a public service. The individuals and treatment programs listed below were provided by the individuals and programs themselves. We have made no independent investigation or assessment of the skills, experience, expertise, or credentials of all of the individuals and organizations listed below. Thus, the inclusion of an individual or program below does not constitute an endorsement or warranty by our program or Rhode Island Hospital of the skills, experience, expertise, credentials, or services of that individual or program. Nor does the inclusion of an individual or organization below constitute a referral to, or recommendation of, that individual or organization by the BDD Program or Rhode Island Hospital. We suggest that you inquire further about their experience and expertise when you contact them.
