Bradley Conference FALL SERIES 2018

PRACTICAL, STATE-OF-THE-ART EDUCATION FOR BEHAVIORAL HEALTH PROFESSIONALS AND OTHERS WHO WORK WITH CHILDREN, ADOLESCENTS OR ADULTS.

Medication Assisted Treatment for Opioid Use Disorder: An overview of opioid use disorder and its treatment in children and adolescents.

Catherine Friedman, MD

Tuesday, December 11, 10 a.m. - 2:45 p.m.

This educational experience consists of two parts: This live presentation and an online portion. Both parts will need to be completed to receive continuing education credits and a Buprenorphine Training Completion Certificate. No partial credit will be awarded. This course satisfies the regulatory requirement of Section N of the Rules and Regulations for Pain Management, Opioid Use and the Registration of Distributors of Controlled Substances in Rhode Island (which must be met by April 30, 2019) and meets the DATA waiver eight-hour training to prescribe Buprenorphine requirement.
