Chinese Food

The Whole Bucket

According to laboratory analyses, here's what you'd get if you ate an entire take-out dinner-size order of each dish. (Other than the House Lo Mein, House Fried Rice, Egg Roll, and Hot and Sour Soup, the numbers include a typical 1½-cup serving of steamed rice.) Dishes are ranked from best (lowest percent of calories from fat) to worst (highest percent).

Lat just one cup of entree along with one cup of steamed rice and Chinese food suddenly becomes good for you. To get to that proportion, you'll need at least two orders of rice for every entree, Dishes are ranked from best (lowest percent of calories
