MIND YOUR HEART STUDY

***Are you 18 years old or older?**

***Have you been diagnosed with Heart Failure?**

***Do you sometimes forget to take your medications?**

You could qualify for a Research Study at the Miriam Hospital, looking at whether Mindfulness Training improves **medication adherence** in adults with heart failure.

You will be compensated for your time.

Parking is available.

**If you are interested in learning more about the
MIND YOUR HEART Study
