NIH/Federal Executive Level Salary Limitation: \$185,100 (Executive Level II) effective 1/10/16 -- Prior rate: \$183,300 (Executive Level II) effective 1/11/15-1/9/16. COMPETING grant applications and contract proposals that include a categorical breakdown in the budget figures/business proposal should continue to reflect the actual institutional base salary of all individuals for whom reimbursement is requested. In lieu of actual base salary, however, applicants may elect to provide an explanation indicating that actual institutional base salary exceeds the current salary limitation. When this information is provided, NIH staff will make necessary adjustments to requested salaries prior to award. No adjustment will be made if an applicant fails to provide adequate information regarding the individual's actual salary level. Please refer to the NIH website for salary cap updates and additional guidance: http://grants1.nih.gov/grants/policy/salcap_summary.htm
