

General Implementation Science Resource Websites and Articles

- [Active Implementation Hub | NIRN \(unc.edu\)](#)
- [Implementation Science | Division of Cancer Control and Population Sciences \(DCCPS\)](#)
- [Implementation Science at UW \(impsciuw.org\)](#)

Implementation Research Specific Resources

- [Implementation Science Exchange \(unc.edu\)](#)
- [The Consolidated Framework for Implementation Research – Technical Assistance for users of the CFIR framework \(cfirguide.org\)](#)
- [Dissemination Implementation – Just another WordPress site \(dissemination-implementation.org\)](#)
- [SIRC – The Society for Implementation Research Collaboration](#)
- [TDR Implementation research toolkit \(adphealth.org\)](#)

Implementation Science and Health Equity

- [A Review of Implementation Science Theories, Models and Frameworks through an Equity Lens | NIRN \(unc.edu\)](#)

Specific IS Initiatives or Frameworks

- [EPIS Framework](#)
- [RE-AIM – Home – Reach Effectiveness Adoption Implementation Maintenance](#)
- [Implementation Science Initiative | Irving Institute for Clinical and Translational Research \(columbia.edu\)](#)

[What are the implications of implementation science for medical education? - PubMed \(nih.gov\)](#)

[Dissemination and Implementation Science for Public Health Professionals: An Overview and Call to Action \(cdc.gov\)](#)

CDC IS Series

- Dara Blachman-Demner (NIH) and Allison Metz (UNC Chapel Hill/NIRN) (and internal CDC folks) – What's in a Name? Defining Translation and Implementation Science, Research, and Practice
- J.D. Smith (Northwestern University) – A Horse of a Different Color: A Logic Model Specifically for Implementation Research
- Cam Escoffery (Emory University) – Demystifying Implementation Science Theories and Models
- Lisa Saldana (Oregon Social Learning Center) – Measuring Implementation Fidelity through Process and Milestones
