

Main Entrance Changes Starting the Week of September 29, 2025

To support the exciting progress on our new building, several **entrance changes** will begin soon. Please review the timeline and these important updates:

Week of September 29, 2025

- **Sidewalks** in front of Building A on Summit and 5th are closed.
- Summit Ave is now '**One Way**' from 7th street to 5th street.
- Employees who get a ride to/from work should be dropped off/picked up at the 7th Street entrance. **This protocol is required for the entirety of the project.**
- There are no changes to the **shuttle drop off** location on 7th Street.

Beginning the Week of September 29, 2025 (for the duration of construction)

- The **Main Entrance** for all patients and visitors will **move to the Shabbat entrance** (located to the right of the current entrance).
- **Discharged** patients will be directed to 7th street for pick up.
- **All employees** should use the **7th Street entrance** to enter the hospital.

Beginning October 6, 2025

- The **Main Entrance Circle** will be closed for 6 weeks to vehicular traffic for construction.
- **Valet services** for patients and visitors at the Main Entrance will move to Summit Avenue during this time.

Follow the QR code for the latest updates on the building project.
