

2026 Focused Ultrasound Educational Webinars

Norman Prince
Neurosciences
Institute

Join Dr. Wael Asaad or Dr. Athar Malik of the Norman Prince Neurosciences Institute at Brown University Health for an educational webinar designed to provide information on treatment options for essential tremor and Parkinson's disease. Learn about therapies, what to expect during treatments, and get answers to your questions during a live Q&A.

Take the first step towards a better quality of life—register today and join us for an informative session. Your journey to improved health and well-being begins here!

AGENDA

- Overview of Essential Tremor & Parkinson's Disease
- Treatment Options for Both Conditions
- Who is a Candidate for Which Treatment
- What to Expect on Treatment Day
- Live Q&A with the Doctor

2026 Dates:

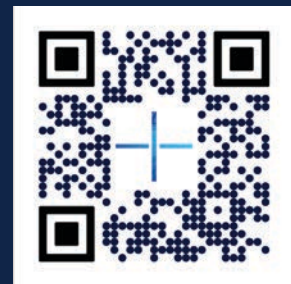

• February 11 • May 7

4 P.M. EST

Virtually from anywhere
